EMPLOYEE BENEFITS

Your Business is Our Business.

Our success depends on your success. Our primary goal is to help you succeed by improving the quality and efficiency of your benefits program. You will gain assistance, expertise and efficiencies working with AdvisorNet Benefits. We will keep you informed of industry trends and innovative ideas that help you achieve your goals. We are committed to developing long-term relationships that will foster employee efficiency and improve job satisfaction and morale to reduce employee turnover and attract the most qualified new human resources.

Your benefits package must be valued by employees, be cost efficient and be current with today's standards. We can help with all aspects of this package from annual analysis, employee meetings for education and communication to contract interpretation and claims and billing assistance. We also have access to an experienced COBRA/State Continuation administrator to make sure you do not have to worry about making the correct administrative decisions when employees experience a "qualifying" event.
